

**DOCTOR JANE OLSON OFFERS \$50.00 OFF A VI PEEL -
JUST PRINT THIS COUPON AND BRING IT TO YOUR APPOINTMENT!**

Transform your skin in days.

The new VI Peel is a painless, age-reversing skin treatment that works in just a few days. The VI Peel is a mid-depth chemical peel that can be used on all skin types - face, neck, chest and hands. This is deeper than a glycolic peel and improves acne and brown spots giving your skin a fresh smooth appearance. Call Doctor Olson to schedule this quick and effective peel.

Jane Olson MD, Oculofacial Plastic Surgeon

One-time offer valid only on first treatment. Just print this out and present this coupon at time of purchase. Not valid with any other offers.
